“ I am so deeply saddened by the news. Growing up in the "T" section of Wantagh was a great memory for me and I have many fond memories of the house on Tangle Lane. All the years that have passed since we moved, yet the house (still visible from the Southern State Parkway) has not changed. Don was always smiling and I remember him driving Margaret up to Rockland county so she could visit with me. I will never forget the great memories growing up as part of the McGuinness family. My deepest sympathies to Mrs. McGuinness, Margaret and Mary as well as Don's wife and children. He will be greatly missed. May the perpetual light shine upon him and may he rest in peace.

“ Do not judge a song by its duration Nor by the number of its notes Judge it by the richness of its contents Sometimes those unfinished are among the most poignant... Do not judge a song by its duration Nor by the number of its notes Judge it by the way it touches and lifts the soul Sometimes those unfinished are among the most beautiful... And when something has enriched your life And when it's melody lingers on in your heart. Is it unfinished? Or is it endless?
