“ Don, I'm so very sad and sorry you had to spend your final weeks in such pain and suffering, and so very sorry I couldn't be with you to say goodbye. You were the most kind, most giving and most loving of souls and now at peace in the loving embrace of our Lord. You will be in my thoughts and prayers forever. Your big brother, Bob

“ I am gobsmacked and can't believe he has left us. My brother Don was all about family. He was a dedicated father, husband, brother, son. I so enjoyed the times when all five brothers got together for lunch to celebrate a brother's birthday and giving each other grief, especially if one of us (Don) ordered a way too expensive entree when the bill was shared equally. Tom would give Don such crap about that, and Don, with a twinkle in his eye, would just shrug and say something to Tom I can't repeat here lol. My sincere condolences to Debbie and the family. We love you Don!
