

## Dori Jean Lawson

September 10, 1958 - January 1, 2018

Dori Jean Lawson went home to Heaven, after a sudden battle with cancer, on January 1, 2018 at age 59. Dori was born on September 10, 1958 to Roberta Jeanne Schuman and Donald Phillip Setterquist in Duluth, Minnesota. She attended Longfellow Grade School, West Junior High in Duluth, Minnesota, and Fort Atkinson High School in Fort Atkinson, Wisconsin.

On March 31, 1984, Dori married the love of her life, Lon Lawson in Naples, Florida. She worked at Natures Garden Health Food Store in Naples. On April 6, 1981, Dori gave birth to her son, Jared Lawson, and on June 10, 1985, Dori and Lon welcomed their daughter, Lindsey Lawson.

Dori was a devoted Christian and kept her faith in Jesus Christ as the foundation for her life. She loved cooking and baking and was known for baking delicious sourdough bread from scratch. She enjoyed taking care of their family cats, especially her black and white cat who was rescued during a hurricane. Dori was happily married to her best friend, Lon, and enjoyed time with family, including their twin grandsons, who are two years old. She enjoyed using Facebook to keep in touch with family and friends near and far and sharing her favorite songs from Bethel Music. Dori had a great sense of humor and a kind heart and she loved living through the adventures of her children, her greatest legacy, as well as watching her grandsons grow up.

Dori is preceded in death by her grandparents Ellen & Alton Setterquist and Elsie & Herbert Schuman, uncle Robert Setterquist and aunt Lori Gustafson. Dori is survived by her husband Lon Lawson of Naples, Florida; parents

Donald and Roberta Setterquist of Naples, Florida; brother Phillip Setterquist and wife Heather and their children Philip Jr. and Holly of Estero, Florida; brother Dan Setterquist and son Zach of Naples, Florida; son, Jared Lawson in Estero, Florida; and daughter, Lindsey Burrow and her husband Andrew and grandsons Calum and Ethan in Naples, Florida.

The family would like to thank Avow Hospice for providing Dori with equipment, comfort and excellent care during the end of her life. A private memorial with immediate family members only will take place along the beach. The family asks that in lieu of flowers, a donation be made to Avow Hospice in Naples, Florida in Dori's memory.

“ *I did not have the pleasure of knowing Dori. But, as a friend to Lindsey I wanted to extend my most sincere and heartfelt condolences. There is nothing quite like the loss of a parent, especially your mom.*

“ *I remember all the over night stays at Dori's house when we were in Junior High and High School. Us girls always had a blast over there! Her parents would be out for the evening and we'd be on the phone chatting with our boyfriends while listening to our music. And we were always on our very best behavior Mr and Mrs Setterquist. Sending my Love and Condolences to the whole family. Karen Wollet*

“ Dori, My heart hurts right now. We were friends through the delicate teenage years through our adult lives. Even at a distance away over the years we continued to have a special bond we knew would be for a life time. You will always be tucked away in my heart!! My deepest sympathies to Lon, Lindsey, Jared, the twin grandsons, and the Setterquist Family. Nancy Baker Lovelsnd
