“ Doug grew up in South Paris Maine and graduated from Oxford Hills High School in 1967. He served his country in Vietnam earning the rank of Sargent. He was honorably discharged after receiving the Purple Heart during active duty.

In his younger years Doug loved to ski and was accomplished at the sport. He had skied all over the country. He had been a skilled carpenter and builder at one time.

Doug had a dry sense of humor and wit with a recognizable laugh. He had made many friends during his life.

Please take a moment to remember Doug in your thoughts. May you Rest In Peace brother.
