

Dustin Dillon Keatley

September 12, 1983 - August 13, 2021

Dustin Dillon Keatley passed away at the young age of 38 on Friday, August 13th, 2021. He leaves behind his parents Laura Creech and Richard Keatley whom love him more than words can express, his son Mason Keatley and sister Raychel Keatley. Dustin was born in Ft. Myers Florida on September 12th 1983 and was raised in Lehigh Acres. Growing up he loved playing baseball and football and getting into trouble. You always knew he was up to something but could smooth talk out of anything. Although he had his ups and downs he loved with no boundaries. His smile and laughter were contagious and could light up any room. He was full of charm and charisma and was a rebel without a cause. He loved cooking and was a great chef.

A viewing will be held Friday, 20 August 2021 from 6-8pm at Gendron Funeral Home located at 2701 Lee Blvd Lehigh Acres, Fla.

“ This is what I wanted to say at the service but I just couldn't stand up. Dustin is my son and I love him. He had his ups and downs growing up but I always loved him. I didn't always like him but always loved him. The best thing key ever did for me was to give me an amazing grandson Mason. I want to thank all his friends and family that showed their love to him. I want to thank his coworkers from the Veranda and Buskingham Farms. He had an amazing smile and quick wit. I just wanted to see that smile one more time.

“ I met Dustin through my boyfriend Jon whom had the privilege of having him as a roommate for some time. I will never forget Dustin's ("D" as we affectionately called him) huge infectious smile and laughter nor the times we all spent hanging out together. Although I only got to know Dustin briefly I know he brought light to those who needed it. Dustin was always ready to lend a hand had a huge heart and looked out for my boyfriend when he went without. Jon and Dustin looked out for each other and we are torn and heartbroken over Dustin's undeserved passing.. because we selfishly miss him. May God open the flood gates of Heaven and graciously welcome him home. To Dustin's family: I am so very sorry and I extend my deepest sympathy. We loved Dustin he was genuinely a good guy and he will forever be missed

“ Dustin and I became good friends when he spent some time with me in New York.
He was not to impressed with all the snow, but he made winter a little warmer for all.
I will miss Dustin.
