“ Dear Betty Lou, Cheryl, Luis, Brandy, Lori, Granddaughters, Great Grandchildren, and Family: We were so very saddened to hear of Earl's passing. He will be missed. I will never forget the Christmas that he so patiently played the violin so that Alexandra could sing Christmas songs for the family. My mom was always grateful every year when she received a Christmas and Birthday Card! He was so loving and caring. His memory will bless your days. Our deepest sympathy goes out to all of you in this trying time. May God bring peace and comfort to you in the upcoming days. Our thoughts and prayers are with you at this most difficult time. Lots of Love. Adela, Nelly, and Alexandra.

“ Sorry we couldn't be at Earl's service but was not possible to cancel Earl's favorite Friday AM Dance. We know he would want us to go on. We were looking forward to Earl's return to our band because in addition to his fine musicianship he added some much needed class to our combo. He will be missed. "The Stardusters"

“Earl, You were the best grandfather anyone could ever ask for. I have so many special memories that we shared. You taught me how to ride a bike, how to play chess, how to address a letter, TRIED to teach me the guitar (until my fingers bled and I quit) etc. However, most importantly, you taught me so many things about life just by being you. You were always a gentle and caring soul and always kind to others. You were a devoted friend to everyone you came in contact with, and always remembered birthdays! You were a giving person and helped those less fortunate. You served your country with honor. You put your family first, and knew how to make a kid feel that they were the most special person in the world. This is only a SMALL portion of what you meant/gave to me. If I can raise my children to be the type of people that you were, then my mission in life will be complete. Because, in short, you were an extraordinary man. I know that you are in the presence of Jesus now and that you have a new body. I will always miss you and will always love you. xoxoxoxoxo Love, Jennifer ("Peanut")
