I may not have known you well enough to call you my best friend but you will always be my homie. All the boys at camp miss you bro. You were a great kid and you will be missed a lot. R.I.P. “ It was to soon for a child like this one to end his life when it barely started. Edgar was a great kid. Even though he have had some bad times he new what it was he had to do to make himself a better person. He put in alot of effort to graduate the big cypress program that showed us he not only loved his family but himself as well. I send my prayers out to Edgar and his family.

“ I remember a very wonderful young man who made a difference in the lives of our residents in our senior care community. Edgar had such great fun assisting our residents with Bingo, competing in Wii Bowling, laughing and developing his relationship with the community. He took the time to teach his Wii Bowling Partner how to play the game and aim correctly to get the most points, or assured they did not miss a number called during bingo so a resident would win the game. Our residents were very saddened when I shared the news of his death. Our thought and prayers go out to Edgar's family and friends. May you find comfort in a poem below as I did, when I lost my loved one 25 years ago on March 6th 1986.

*Your gentle face and patient smile
With sadness we recall
You had a kindly word for each
And died beloved by all*

*The voice is mute and stilled the heart
That loved us well and true,
Ah, bitter was the trial to part
From one so good as you.*

*You are not forgotten loved one
Nor will you ever be
As long as life and memory last
We will remember thee.*

*We miss you now, our hearts are sore,
As time goes by we miss you more,
Your loving smile, your gentle face,
No one can fill your vacant place.*

I will always remember you Edgar and we will never forget your smiles, your laughter and your wonderful personality... All our love.
