“ *We would like the family to know we regarded Ed as the definition of "Gentleman." We met Ed through his love of music. He attended so many performances of Palm City Jazz, of which my husband, Bob, is the clarinetist. Ed was always complimentary and so very pleasant to be with. I know I can speak for the others, both musicians and wives, that Ed will be remembered with love, and missed by all of us. Bob and Kaye Schroeder*
