*Edye was beautiful, smart, and kind. I was so fortunate to have her as my mother-in-law from 1992 onward. She also was brave: setting out with her sewing machine and clothing for herself and her three kids during her first separation from their father. She later reconciled with him, but eventually they divorced. She remarried to Paul Blake and they were happily ensconced in their beautiful condo in Sarasota when I first met her. She had a great sense of humor, a gift for keeping the conversation going in an effortless way, and endless grace. I miss her still.*
