“ *Uncle George always has some way of surprising you. So many stories of growing in Jamaica always made for an interesting Saturday evening with his baby brother and sister. I will never forget you and the good times. Rest in Peace, you will not be forgotten. Love your Nephew Gary.*

“ *Uncle George always had the most exaggerated stories to tell. You made us laugh until we cried. Aunt Mazie used to say stop it George because the children might believe you. He had a great sense of humour and I will miss him very much. Sleep on, take your rest, sadly missed by your loving nephew Pete. Aunt Mazie keep heart. x*

“ It's saddened me to know that you have left so soon, but God only takes the best. You were chosen by him for a purpose, and that purpose you will serve. You will always be in my heart and I will remember your daring smile and your tender voice saying "Sister Phyll" how is my son?". Gone but will never be forgotten. Sleep and take your rest till we meet again on the other side. Loving Sister in law Phyll from London.

“ Uncle George was full of life and always had a story to tell. He use to take great pleasure watching us trying to figure out if he was telling the truth after one of his many hilarious stories.

Will miss you uncle George, you're at peace now and no more suffering.

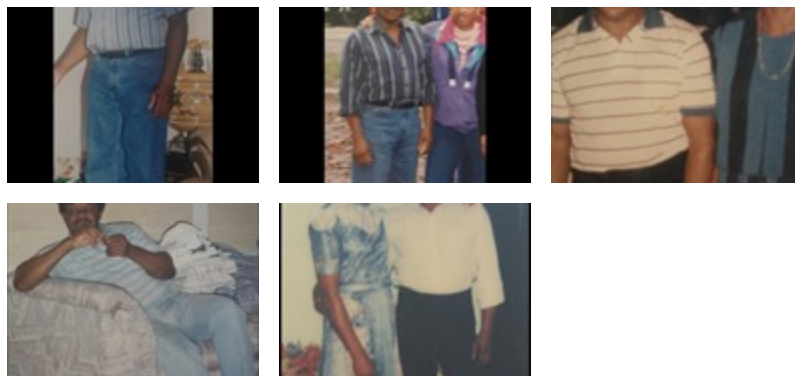

Love your Nephew Des.
