“ *She was a sweet and kind lady, always giving for her family and helping in any way possible. She took an active interest in her children's, grand children's and great grand children's lives. If she wanted something done, she did it. From planting flowers to building decks or a stone wall. She was no stranger to rolling up her sleeves and getting the job done. I don't think I have ever heard her whine or complain about things being hard or that she couldn't do something because.... She was a great role model, a great mother to my mother and her other children, the best grandmother that I could ever ask for and a fantastic great grandmother to my children. I know that you are in a much better place now, free of any pain. I sure will miss you!!!*

“ Elaine worked with me at Twin Tamarack when we first opened the new campground and became my best friend and helper. She had a day off and Gene found her digging up small trees and transplanting them between sites. We were always in trouble with Gene. We always said "We could write a book." She was my friend and an understanding shoulder to cry on.

“ Nana, will be missed by all who knew her. She was the kindest yet strongest woman and could do anything she put her mind to do. She could give advice in the best way. She was sweet but firm when she would let you know about a situation. She could demo a wall and build it back all on her own. She was always helping in any way she could. From remodeling the house to cooking a meal to just talking about your problems. She treated me like one of her own grandchildren and I am grateful for being able to get to know her like I did. She sure is a special lady and I will always remember her fun loving spirit. She shares my son's birthday and always included him with her own Great Grandchildren. Nana, Great Nana, you will always be remembered.

My deepest condolences to my Auntie Jan who was her angel on earth. She took the very best care of her for many years. They were like 2 peas in a pod. They did everything together.

My Condolences to the rest of the family and all who loved her. May the peace of our Lord comfort you all during this difficult time.

Thoughts and prayers for my Kearney relatives. May you each find peace and understanding as the days pass. Take comfort in the knowledge that a wonderful lady gained her wings and you each gained a guardian angle to keep and watch over you.
