“ To Elba's family, So very sorry for your loss. I worked with Elba years ago in the Central Islip school district. She always came to work with a smile on her face for her second graders and fellow workers. She was always nice to me and always willing to share her faith in God with all. Many of her former fellow workers are also sorry for her passing. Rest assured that she is in God's hands. I will keep her and your family in my prayers. God bless! Maritsa Diaz

“ *My angel, you left us to soon. You were always so strong so vibrant and beautiful. You were the most fierce woman I could have ever known. You raised me to be strong, smart and honest and for that I will always be grateful. And even though we fought I always prayed for you and still pray for you. I MISS YOU SO MUCH AND I'M LOST WITHOUT YOU. R.I.P my angel. I know your at peace with out lord. I'm so broken without you.*

“ My beautiful Grandmother.... hmm where do I begins my grandmother had no filter and if she had something on her mind she would say it . She was so outgoing and open minded . To some she was just Elba to me she was the hulk . Through everything she stood tall and strong . She was forever and she will continue to be forever . Words can't explain how empty I feel to no longer have my Abuelita ... I refuse to say good bye soo my beautiful angel I will see you soon 🙏😭😭

God saw you were getting tired, And a cure was not to be,
So he put his arms around you, And whispered, "Come to Me."
With tearful eyes we watched you, And saw you pass away.
Although we loved you dearly, We could not make you stay.
A golden heart stopped beating, Hard working hands at rest.
God broke our hearts to prove to us, He only takes the best.

“Do not cry for me, my love.
My heart is still with you.

Keep your eyes on God above.
This pain He'll see you through.

For I am with our Father now,
In His home up above.

I am whole and at peace
And surrounded by His love.

You, too, He'll call home one day
To His mansion in the sky.

And together we will be forever
To praise Him, side by side"

We are incredibly sorry for your loss, and although we did not know her personally we were blessed enough to meet her legacy (her children). We cannot imagine the pain you are going through and we know it won't get any easier, but we must rejoice that she is home with our father. Heaven has gained another beautiful angel. She will continue to watch over you just as she did here on Earth. Celebrate her life always, for you will be with her again.

With Love, Evelyn and Justin Gill
