“ Betty was a very special person! I knew her as a cousin and we had many good times full of unconditional love, laughter and acceptance of each others short commings. I will miss her deeply. My e-mails will seem empty because she always seemed to know when to send some inspiration or a joke to make my day!Please keep in touch.

“ I will miss my Aunt Betty! She was always there for me when I needed and I will always remember. She is the one who introduced me to Ed so we will always remember what a huge part she played in our family. Miss you! Love, Caylene
