“ *To Woody's family, my deepest condolences in your loss. I met Woody years ago as a tech at Baywood Vet Hospital where he brought his beautiful dogs. I never see a German Shepard that I don't think of him & David Wahl, as they bred beautiful dogs with great personalities. We talked during his divorce from Jackie & again when he took her back in with all her health issues. He was one of the kindest most gentle souls I have ever known. Just a big old huggy bear of a man. Rest peacefully my friend-you will be sorely missed down here.*
