“Granny and I had wonderful years together. I would go see her and Grandpa at their apartment in LaVista, NE and she would help me with my homework. She would walk with me to Mike's to get my haircut. She enjoyed LaVista Days and camping at Platte River State Park. Do you remember eating buffalo stew and cornbread?? In Florida at the condo, I would help fix things for you, and you would reward me with a great meal of pork chops or stuffed peppers. We enjoyed having you for spaghetti night on Tuesdays. You were our official candy distributor on Halloween and enjoyed seeing all the children dressed in their costumes. You loved your strawberry ice cream!! You never gained any weight, how is that? You lived a great life and called yourself "The little old lady from Pasadena", but you were always on the go. Go Granny, go. Thanks for all the great memories of us together. I will always remember you.  
Love,  
Kevin

“ Dear Grandma,

*Thank you for the laughs, guidance and memories over the last 36 years. You were always quick with a joke and a ray of sunshine when it was needed. I enjoyed listening to your stories of the "old days", it always made me feel nostalgic. Different years have different memories. I loved the anticipation of driving to your house when I was little. We had fun playing in your basement and trick or treating in your neighborhood. Later on you moved close to us in Nebraska, and I would come over for lunches and chat about the day's happenings. Later still, we all moved on to Florida where we explored our new surroundings. Each stop along the way, we would make the memories I cherish today. You loved ice cream and desserts of all shapes and sizes. You were an ace in the BINGO room. What sticks out in my mind the most, was your fondness of my daughter Magnolia. Of course, she will always be Magnolia Leigh to you. Your singing was as comforting to her as it was to me when I her age, I take solace in knowing that she will remember you, so in essence you will live on within us forever.*

*As a final note, I am glad you have reunited with Grandpa. I know your souls were apart for awhile, but now you may both find eternal peace together. Rest well Granny, you are deeply missed.*

XOXO

*Hey Mom! We had some great times together. We laughed and had fun. Sometimes we were quiet and serious. But most of the time we danced and enjoyed life to it's fullest. You were always the last one to check back in to the assisted living; sometimes 11:00 p.m. We saw fireworks, beautiful sunsets and enjoyed the drums on the beach. You met a lot of people throughout your life. You lived in Chicago, where life was bustling and busy. You worked and help dad raise us kids always making sure we would stay close to all our other relatives. Then you moved to Glendale Heights, Illinois where you had good neighbors and friends and enjoyed retirement. From there you moved to the cold of Omaha, Nebraska where you saw the Thunderbird's, Mannheim Steamroller in concert and helped with Carol's daycare. You were the storyteller before nap time. Eventually we moved to Sarasota, FL where you enjoyed condo life, swimming in the pool, shopping and visiting friends. After a brief stay at the mobile home park, you moved into Heron East ALF where you enjoyed life immensely until your 90th birthday. You did it all!! Bingo, trips, chorus, artwork, fun and games. Oh what a time you had!! We can only hope that our lives are as fulfilling as yours was. We will miss you everyday.*

*Love,  
Carol and Dale*
