“ *Dear Kathy and family, I was very sad to hear about the day we all never want to come. Your Mom was a wonderful person and we loved having Thanksgiving at her house with all your family. I always enjoyed talking with your Mom as she seemed to have many experiences that she could relate to mine. She had such a struggle with her health but she sure did keep up her appearances. it's going to be hard for you but you will be alright; just keep your memories close. Love, Amy, Alex and Jackson*
