“ I last saw auntie F in January. When I walked into the care facility she said to me “oh you’ve come so far to see me”. And I said to her I would try and do it again before the summer was over. I’m so sorry I didn’t get a chance to see her one more time. When I told her I loved her she always said to me “I love you to the moon and back”. I was her first grandchild and she was so special to me. I love you Ev
