April 19, 1971 - November 2, 2020

Evens D. Antoine

Evens Dominique Antoine, 49, of Lehigh Acres, Florida peacefully passed away on Monday, November 2nd, 2020. Evens was born in Boston, Massachusetts on April 19 1971 to Robert and Eveline Antoine. Evens is survived by daughter Senait; is the caring brother of Romere, Jerry, Emma, Lionel and Edwin; the cherished uncle of Dominique, Xavier and Zara; and dear brother-in-law to Melissa, Sonia and Janelle. Evens is also nephew to a multitude of aunts and uncles and a beloved cousin to many.

Evens was full of life and was an avid music lover of hip hop, jazz and R & B. He had an innate ability to master all things technical. He enjoyed spending time with his family. Evens was kind and caring. He had a thousand-watt smile and personality that could light up any room. He had the ability to crack a joke and brighten your darkest mood. Anyone that ever crossed his path instantly loved him! He was a law enforcement officer serving the citizens of the Commonwealth of Massachusetts and later transitioned into real estate. When not at work or spending time with family, Evens served the Lehigh Acres community by volunteering at local food banks. He will be missed by all who knew and loved him.

The viewing will be held on Friday, November 13th, 2020 at Gendron Funeral and Cremation Services Inc. (2710 Lee Blvd., Lehigh Acres) from 10:00 am until 12:30 pm. “ Evens, I've been avoiding writing you here, somehow no matter how much you tried to prepare me for this time it still feels like I'm trapped in a bad dream and cannot wake up. Where and how do I begin? Meeting you on paltalk and telling you how I'd loss my best friend Ben and how I never wanted to feel that pain again to being in the same situation with you. To say I miss you is an understatement. Words will never begin to express what I am feeling. I loved what we shared beyond what the human mind can comprehend. Babe...who will I bully now? Who will I harass and argue with, who's going to remind me to eat less sugar and take my butt to bed. Who will ask me how much coffee I've had? Who's going to listen to me complain about my day at work? Gosh,,,you was a great listener and you always knew what happened, regardless if you was present or not, you always had the inside scoop and we would argue vehemently because I knew you was a wackadoodle as much as you knew I was one too, but we clicked. I will always cherish the day I met you at Hartsfield Airport (where I treated you to lunch and we argued over who would pay) you was so excited about the wedding you was attending in Ohio.... You was happy to see family. Family was so important to you. I never got upgraded to Queen... You told me that spot belonged to your mother... Your Favorite Girl in the World. Evens, I'm just writing random ish,,, my heart is so broken, this pain I don't wish on my worst enemy. Thank you for letting me be a comfort for you and allowing me to experience your battle and ultimate fight. OMG, Babe you should see this passage, how I wrote it... you would be all over me correcting the mistakes just like you always did. I keep looking at your Pic, my favorite pic of you...remember when we were on Team Viewer looking at each other's family photos and I was taking all of yours lol I am so happy I did. I listen to your voice when I wake up and before I sleep and while it helps nothing will ever heal my broken heart. I love you forever my friend and forever you will be a part of me. To the Family of one of the greatest people I've ever know...My soul hurt for you all. I send my deepest most heartfelt condolences. Mr. and Mrs. Antoine, You raised and incredible man and I thank you both for sharing him with the world.

May God bless and keep thee all the days of your life and you shall dwell in the house of the lord for ever and ever, Amen

“ *What a loving soul!!! My condolences for the family of Evens(BC)!! I will miss him and all of the fun times that we shared in paltalk. I never really say goodbye to anyone that I care about but rather, "See you later!" My favorite poem(not my own) sums my thoughts up exactly!*

Death Is Nothing At All

Henry Scott-Holland
By Henry Scott-Holland More Henry Scott-Holland

Death is nothing at all.

It does not count.

I have only slipped away into the next room.

Nothing has happened.

Everything remains exactly as it was.

I am I, and you are you,

*and the old life that we lived so fondly together is untouched,
unchanged.*

Whatever we were to each other, that we are still.

Call me by the old familiar name.

Speak of me in the easy way which you always used.

Put no difference into your tone.

Wear no forced air of solemnity or sorrow.

*Laugh as we always laughed at the little jokes that we enjoyed
together.*

Play, smile, think of me, pray for me.

Let my name be ever the household word that it always was.

*Let it be spoken without an effort, without the ghost of a shadow
upon it.*

Life means all that it ever meant.

It is the same as it ever was.

There is absolute and unbroken continuity.

What is this death but a negligible accident?

*Why should I be out of mind because I am out of sight?
I am but waiting for you, for an interval,
somewhere very near,
just round the corner.*

All is well.

Nothing is hurt; nothing is lost.

One brief moment and all will be as it was before.

How we shall laugh at the trouble of parting when we meet again!

“ *This man was well respected, very intelligent, well spoken and well respected. He will be missed by everyone in his paltalk family. I learned a lot from this man and found that he never refused to offer assistance or advice. RIP to a true brother. I hope his family peace.*

“ BC...to my brother and friend. For as long as we, your friends, can, we will look out at this world for you. For as long as we can, when we awake in the morning, we will listen to the birds sing, and know that you are nearby. For as long as we can, when we gaze at the stars at night, we will know you are forever twinkling among them, as you make heaven laugh with that humor that is so unmistakably yours. I know in my heart you have transitioned to a much better place than where we are now.

May your family and loved ones take comfort in knowing how much you beautifully touched so many people's lives. And may you my friend take comfort in knowing that I will do my ABSOLUTE VERY BEST to take care of our "special friend". Know that she's in very good hands, and I will honor your memory by keeping her safe for as long as it is within my power to do so.

Peace, love, blessings and comfort to your family. Rest well " BC".....

“ I don't think it saved my last writing and so I will make this one a shorter version. I met the brother on Paltalk in 2012 and to me he was like a Big Brother. He would go out his way to help people but that is who he was as a person. He will be truly missed by many. Rest In Peace Brother Evens.

“ It's funny how technology has made our world so small. I only knew him by the name Biscuit Chaser and BC was and still is one of the most prolific and funny chatters I ever knew and I considered him a friend that I have never met. His presence will be forever known and his memory never forgotten. I cherish the paths we crossed, the conversations we had and the laughter we shared. He was truly a special person that touched many lives in numerous ways. My condolences to the family and thank you for giving us such a wonderful person to share. We on PalTalk are sincerely sad he's gone and will miss him deeply. From the great state of California let me say farewell my friend and happy journeys. I thank you for teaching me to date on a coupon (haha). Forever in my memorial right with my combat buddies and family. Until we meet again my friend.

“ It is hard to squeeze into such tiny spaces.
Words to sum up a man of so many great faces.
From chat life to real life.
Offline and online.
Manslaw and so on.
This man has been a God send to us all
and has now been carried home.
You will live on through all the laughter and stories we will tell
And for all the good you have accumulated may your soul journey
well!
You are Missed and never forgotten.
My Sincerest and deepest Condolences to the family and loved
ones.

“ I remember Evens (BC) as a very positive person. He was a gift to anyone that came in contact with him. BC wouldn't hesitate to help someone, especially chatters that had tech issues. He had an amazing sense of humor and an abundance of pride about who he was. He was a true general. I will miss you BC.

“Evens had such an instinctive way of engaging everyone in the room. I will forever appreciate his unconventional pep talks (lol), genuine support, and big heart. Whenever we visited each other, he and I would talk and debate for hours at a time. Some of my favorite memories of all time were of watching him, my mother, and LaMere interacting, making jokes, and laughing. They were hilarious!

Rest In Peace, cousin. Your smile will forever be cleaved into my heart.
