“ *Amigo, while our paths never crossed while we were in the NYPD, the nine years we worked in FEMA was a treat. No one was more full of life than you. Some days we were at each other's throats while other days my sides hurt from laughing too much! Alabama, Maine, Emmitsburg or New Orleans it didn't matter. We did it the New York Way! When Jeff called me my heart sank. Love you buddy. Rest in eternal peace.... Artie Annecelli*

“ *I worked with Felix several years ago. He was a pleasure to work with, always ready to help and answer questions. My condolences to the family*
