“ *The last time I saw Fern (April), I took her out of the nursing home and for a ride. We went past her home in Lakeshore Village, over to Casey Key to see the Gulf, and then a stop at a fast food place to have a fish sandwich, strawberry shake and fries. I think, for a few hours, she was happy and free to see the world that she had lived in. I will miss her -- but know she is once again reunited with her sons and husband. My deepest regards to her daughter and grandchildren. I know they will miss her terribly.*
