December 25, 1959 - May 16, 2022

Forrest M Freeman SR was born December 25, 1959 in Philadelphia, Pennsylvania. Forrest was preceded by his mother, Delores Freeman and father, Gordon H Freeman. Forrest passed away May 16, 2022 at the age of 63 after a courageous battle with cancer. His battle with cancer over the years showed his endurance in facing life's challenges with a smile. Despite the pain and struggles, Forrest came out a hero and remained tough. If there was one word to describe Forrest it would be strong. Forrest had a passion for the outdoors, wildlife and enjoyed the simple country life. He enjoyed boating, fishing, hunting, ranching. Forrest spent his adult life working and battling in all forms of his life. His one true love of his life was his son survived by Forest M Freeman Jr. There is no greater bond than the one between a father and a son, strong, unyielding and everlasting. Being a father was the biggest joy and blessing in Forrest's life.

For Forest Jr "you are not just a son to me, you're my life, my soul, my heart and most of all the reason for my existence". Love always dad.

Dad- in laughter and in sorrow, in sunshine and through rain, I know you're watching over me until we meet again. Love you always dad, Love Michael.
