“ Our Mom was a very special lady of strong will and character, character measured not by how she dealt with success, rather how she dealt with adversity and Lord knows she dealt adversity. From almost getting arrested and shot in Cuba for her opposition to the communist party, to having to send her older son to the U.S. to protect him and having to leave 5 years later with a daughter and younger son to the U.S. with no more than a few clothes. Arriving in foreign country where they could not speak the language and starting life over from scratch. She worked hard to provide for her family and never took any lip from anyone including a 14 year old son who was bigger than her (when I back-talked her, she broke a rake handle over my head), but she was always there for us and loved us. I will miss her very much.

“ To the Echazabal family, Our thoughts and prayers are with you during this sad time. May you be comforted by good memories you have. May your peace and joy be restored in knowing leaving this world behind is not our final destination, but a journey to a better place where there is no pain or suffering, but only joy! Love to you all, Denis & DeLane
