“ *I will always remember Frank as one of my Brothers who laid it on the Line for all of us in his Military Service and his Civilian Govt Job. He was one of the Good Guys. I hope to see you again. Jerry*

“ *Dear Viviane and Ashley, I will always cherish the memories our families shared. Do you remember Octoberfest 2009? We were enjoying some good German music and beer when suddenly you and Frank hopped on the dance floor and joined in the chicken dance. Funniest thing I ever saw (not being familiar with the chicken dance). Erin and Ashley were laughing so hard and I was trying to get Jerry on the floor but he chickened out! May Frank never be forgotten in our cherished memories. He will be missed. Prayers and Love, Gail*

“ Dear Viviane and Ashley please accept my deepest condolences. I will miss Frank a lot. He was a very good and close friend. We served together in the Army and later on in Customs. We got along great and we were always there for each other. I enjoyed so much each time I went out fishing with him when you lived in Miami. He loved you two so very much and he always let everyone know how much he loved and cared for his family. Knowing Frank for so many years, I am sure that he is sitting by the right hand of our Lord. May God bless the both of you and I will keep you in my prayers.

“ Dear Vivian and Ashley,
I am so sorry for your loss. You had a very giving husband and father. I saw that as I connected periodically with you all through the years and he would share with us how he was working in Miami each time we saw him which we feel it was a great sacrifice for you Ashley to live with your mother in Naples so you could attend Donahue Academy. It is a wonderful loving memory that will stay with you.. I was very grateful when he created the wooden shelves we needed for the Girls' and Boys' Bathrooms by the gym and also when he donated the oars for the Boys bathroom. He gave up his family time with you when he visited to help us with that project. I will forever be grateful for giving of his time that way and his generosity. Ashley, what a gift of holding on to have a dance with you and see you graduate. Vivian, knowing he was able to do this is so valuable and such a loving gift for you as well. Our prayers will include you both each day to help you as you live on. Know his love will earn him to be with Our Lord Jesus and that you will be reunited with him someday. Gratefully yours, Mary & Don Stuller

“ To the Pardee Family from the Perry Family. Remembering all the good times growing up on John Hancock and what a great guy Frank was from our earliest memories. We are thankful that we were able to stay in touch all these years and be witnesses to the wonderful life Frank chose for himself. We loved how much he loved his family, his career and his country. He started out amazing and ended up even better. The world will always be a bit dimmer without his kind light in it. With all our love - Joyce, Leanne and Jenny Perry (and the whole rest of our gang).
