“ *The people of Central Massachusetts still remember fondly the intelligent, honest and helpful service of Representative and Senator Fred Schlosstein. He was an expert on Tax Policy. Always a gentleman who was a devoted family man. I have held the Senate Seat of Fred Schlosstein for the past 18 years and have considered his family as friends. As a member of our ever-diminishing "Greatest Generation" he exemplified the role of public service in war and in peace. He will be missed. My sympathy to his family. Steve Brewer*
