“ Many fond memories of the Aunt Louise, Uncle Harold, and cousin "Rick" and the house on Conesus Lake. I remember Fred taking the time to fix the brakes on my broken down car after hours at his shop when I was in college in Rochester. He was always helpful and non-judgemental. He would bring his parents down to visit mine and they were always grateful. He, as well as his parents, will always be in the hearts of our family. Karen Blackall

“ Dear Hussong Family: There is no word that can express how sorry we are to hear about Fred's passing. We were very stunned to get the news. We were very fond of Fred, not only because he was a good customer, but because he was such a nice person to know. He was our favorite person out of all the people we have met over the years in this business. I don't think anything will change that. He will be sorely missed.
