“ *I feel blessed and honored to have known Gail Blaney for my entire life. She was always so good to me, a wonderful aunt who often made me smile and gently guided me at many times in my life to become a better person. I feel very fortunate to have been able to speak with her several times this past year, and to have a wonderful memory of dancing with her at my brother Robert's wedding a few years back. That is how I will remember her, because it was such a joyous moment for both of us. I am sending my love and sympathy to Gail's immediate family. I will never forget the many pool parties, barbecues, and Easter Sunday dinners at Nana and Grampa's house that we all shared with Gail. Please know that I share your loss, and that I miss Gail very much.*

“ Gramma, I will always have great memories of when I lived with you and Grampa. Every time we got in the car to go to Walmart it would start downpouring, it never failed. And the homemade waffles you would make for me. I will miss you and our talks. You were the best listener. Now you are gone to a better place where you will be with your sister and parents and maybe even Nic. I you see him tell him I am doing OK. Gramma I love you and miss you. Your Grandson

She was tough, she loved, she lived! I pray that she rests in peace and that you all cope by keeping the good memories of her alive. Love to the whole Blaney and Cygan family*

Aunt Gail had fought a brave and courageous battle, let us all gather strength from that. She is now free from her suffering and in the caring hands of her beloved family who have passed. “ To all the people that new Gail, she was my Grandmother. I cherish those days when we would go to the dollar store, buy tons of candy bars, and sleepovers. For how sad I am to say that she is gone...I know that she is gone from my sight...but NEVER from my heart. My Grandmother was the one I would go to for advice. Special prayers to my Mother and Aunts and Father and Grandfather. I love you Grandma, rest in peace and I thank God for those days I had with her. Love Brandee

“ God saw you getting tired and a cure was not to be. So he put his arms around you and whispered come with me. With tearful eyes, we watched and saw you pass away. Although we love you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us he only takes the best. Losing you is the hardest thing I have ever had to do. I Love you.

“ To Gail. I was fortunate enough not only to know you, but grow as a result of knowing you. First as a friend, then as my girlfriend's Mom, then as my Mother-in-Law. But I addressed this to Gail, because you were way more than a Mother-In-Law to me. You were always there for me and took such good care of me. From cooking me mushrooms to tellin me to "get a grip" when I needed to hear it. It all mattered. You were so special to me that many would find it difficult to understand. But that is the impact you had on everyone who got to know you. You touched so many. Although you have moved on, a piece of you will always remain with me. And thank you for helping shape and mold your Granddaughter Brandee. If she turns out being anything like her Grandma (which we know she will) she will be just fine. I miss you and I love you. David

“ Gail played a pivotal role in my life. She gave me the opportunity at a job that changed my life. She not only gave me the opportunity, she was there to see it through. She was my mentor and instilled in me the self confidence that I was severely lacking. She was an awesome listener and believe me, at the young age of 18, I needed a good listener. (your own personal world is always in crisis when you are 18 - 25 and she was always there to listen and to give excellent advice). Any successes in my life have been rooted in the opportunity and tools Gail provided. I would have never seen my own potential to succeed in my professional and personal life had it not been for her. I owe EVERYTHING to her. She was an awesome lady for whom I will never forget. I will be forever grateful for having known such a kind, loving person. Love Always, Lois Rosato
