“ *My dear sister Gail I will miss you so very much. You will always be in my broken heart. You were such a wonderful person. I will miss not calling you and talking to you. Your smile was so contagious you made me laugh no matter what was going on. I know your not suffering any more but the pain we have is unbearable. I love you Sissy I will see you some day up there in heaven.*

“ *To my sister Gail,  
My sorrow is hard to put into words. I loved you so much, my heart aches. I will always be your "Brover". when yon needed things fixed I came over and fixed it. Your humor, wisdom, smile I will miss. Not being able to call or see you in reality will be the hardest emotional thing i will have to do in the future When WE go to TEA there will always be a setting for you at the table. Until WE meet again my sister. XXOOXX*
