September 13, 2013 - September 13, 2013

Garrett Oliver Chance Ceslok

Born September 13, 2013

At Health Park Hospital, In Fort Myers Florida

To Stacy Fout and Jesse Ceslok. He may only lived for a short time But touched many hearts. He suffered from skeletal dysplasias. His loving parents gave him the chance at life But God called down for his Angel. He is very loved and missed by his family.

We thought of you with love today, but that is nothing new. We thought about you yesterday, and the day before that, too. We think of you in silence, We often say your name, But all we have is memories and your picture in a frame. Your memory is our keepsake, with which we'll never part. God has you in his keeping, We have you in our hearts. We shed tears for what might have been, A million times we've cried. If love alone could have saved you, You never would have died. In life we loved you dearly, In death we love you still. In our hearts you hold a place no one could ever fill. It broke our hearts to lose you, But you didn't go alone. For part of us went with you, The day God took you home.

He leaves behind his loving parents Stacy Fout and Jesse Ceslok, Brother Clayton Ceslok, Sister Moriah Ceslok, Uncles Brandon Fout, Garrett Ceslok, Hayden Fout, Travis Ceslok, Jason Adorno, Blake Wright, Kevin Wright, Mike

“ *John 14:1-4*

"Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going.?"

God Bless your soul Garrett and God Speed! May you grow to be one of the greatest Angels above and provide the guidance for those left behind!

“ There is a special Angel in Heaven that is part of me.
It is not where I wanted him, but where God wanted him to be.
He was here just a moment like a night time shooting star and
though he is in Heaven he isn't very far.
I couldn't hold him in my arms but I held him in my heart.

“ A huge family like ours has so many angels, now there is one more. Spread those little wings and fly. Sours like you have wings like an Eagle. Run and play, sit in the Fathers lap and absorb His never ending love. There are many mansions and He has prepared a place for you. It has feilds of grass and golden roads, rivers of life and soft stems roses. We love you. Jesse and Stacy, I wish I were close to hug you although a hug can not give you your hearts desire. I love you both. God comfort you and fill your feet with Joy.

“ *The Hardest Thing*

*Losing a baby is the hardest thing
That parents will ever bear.
That sense of loss and longing,
Will always linger there.*

*They dream of things that might have been,
and happy days they would have shared.
They wish they could turn back the hands of time
To tell their child again how deeply they cared.*

*Time will eventually dim some of the pain
But they'll never forget that child's face or name.
He'll live on in their memories for sure,
And their love for him will be constant and pure.*

“ *I have only met you guys once or twice. But I just thought I would let you both know how strong you guys are. And I am absolutely glad to have met you. I don't think I could be so strong in the same situation, and here you guys are being amazing. May the lord bless you guys. I am so sorry you have to go through this. My heart goes out to you Stacey as a mom. I wish nothing but the best for you three. And I know you don't know me, but if you need to talk I am always here to listen.*
