“ I will never forget the evening we were working on motorcycles in your garage. It was you Doug Webb and I if I recall. One of us tried to throw a wrench to one of the others and it was a bad throw. The wrench ended up landing in Oscars mash drum for his next batch of Sadiqui. You and Doug made me fish it out with my arm. I was shoulder deep into the mash barrel but I was able to fish out the wrench. From that point forward you guys called me Yeast. LOL
Rest In Peace my friend. You are missed.
