

Gary Lynn Fredrick

November 6, 1947 - February 27, 2017

Gary Lynn Fredrick was born November 6, 1947 in Durand, Michigan to Gerald and Beatrice Fredrick. He was the youngest of six children. Gary served 20 years in the U S Army and spent one and a half years in the Republic of Vietnam where he received 2 purple hearts and other commendations. He was the father of three sons and one daughter, numerous grandchildren and a few great grandchildren.

One could say Gary went to war, but truly never left it. His children and wives lived it with him. Though he was a troubled man late in life, the help he needed was finally provided for him. This helped him make peace with himself and his family. Gary was an interesting man especially near the end. Painter, photographer, ham radio operator, jeweler, woodwork, leatherwork and several other things kept him busy. He will be missed, but kow he is where he has wanted to be since 1982, with my treasured and well-loved Grandmother and his MOM.
