“ I would like to send my condolences to the family of Gary Musselman. Taken way too soon, Gary and I were friends since 1979. I met him in Fremont, Ohio and we remained very good friends. I was stunned when I received the message from Gary's niece on Sunday that he had passed away. I live in Rossford, Ohio and had spoken to Gary about two weeks before he passed about coming down to visit this coming spring. My memories of Gary and the times and escapades we shared through the years will always bring a smile. They say if you can list 5 good friends on one hand that you are lucky person. Gary was probably one of my two best friends. How I will miss him.

Again, please accept my condolences in your time of sorrow.

*Truly missing him now and always,
Stephen T. Musser
