

Gene Ann Stickelman

March 27, 1943 - August 25, 2025

Gene Ann “Genie” Stickelman joined the Lord on August 25, 2025, in Sarasota, Florida, at the age of 82.

Born in Fostoria, Ohio, on March 27, 1943, to Anna Belle and Warren Gene Glunt, Genie lived a life filled with compassion, dedication, and love. She was a devoted mother, grandmother, great-grandmother, sister, friend, and nurse.

She is survived by her loving family: her sister, Patricia Bolinger; her two sons, Dane and Joe; her sons Jeffery and Jason Stickelman and their wives, Lucy and Luly; her grandchildren, Michael, Kaila, Marc, David, Noelia, Dylan, Ashlynn, Francis (Gabe), and Gabriella; and her great-grandchildren, Caden, Norah, Cassidy, Adelaide, Chase, Isla, Melo, and Xavian. She also leaves behind her beloved cat, Shelly.

Genie cherished her extended family, including her church family and her Desoto Lakes family. She held close friendships with Sherry, “The Golden Girls,” Remy, and Carolyn—of whom she was a proud part—and Michelle, who lovingly watched over them all.

A lifelong Registered Nurse, Genie’s passion for care never faded. She dedicated many years to healing and helping others at Sarasota Palms Psychiatric Hospital, Sarasota Memorial Hospital, The Cath Lab, and

Neurological Associates. Even in her final days, she remained a nurse at heart—always offering her thoughtful (and sometimes opinionated) insights during appointments.

A service to celebrate Genie's life will be held on Saturday, August 30th at 11:30 a.m. at:
