“ *I am so sorry for your loss. I visited Genevieve many times at Magnolia Health and Rehab. I am a Tidewell Hospice volunteer and got to know Genevieve while I was visiting other patients at Magnolia. She was a delightful lady and we had many visits together over the past years. She reminded me of my own grandmother who was Swedish and also lived at Magnolia Health and Rehab in the past. I so enjoyed my chats with Genevieve and how she loved her son so much. She felt safe knowing that he would call her every night to see how she was doing. Those calls meant everything to her. She said her son took care of anything she ever needed. We had many good times together and I will miss her. I thought that I could go visit her once the pandemic scare would allow it. I am sorry she passed before I could tell her how much I enjoyed our friendship. I hope she can see this memory I am writing. She was a very special lady.*
