“ *I am so sorry Uncle George, Aunt Linda, Kellie and Tracey. When Kellie told me, I was in shock, and still am. Georgie's infectious laugh will be missed. My thoughts are with you all. I am sure that he and Jimmy and my dad are all watching over us. - Rosie.*

“ *George is my cousin and he used to hang out with my brother Jimmy and they had good times riding their motorcycles together...he loved life and will be missed by many. Say hello to my brother on your journey...Dent family of North Carolina*

“ George was one of the greatest men I knew the love he had for his daughters and his amazing work ethic and huge heart was one of a kind. There is really no good words to say as I am processing the news of losing a friend. He was once a customer of mine and would come in daily and even sometimes multiple times a day to do what he was good at. One of the MacGyvers of the world. We bonded over being born in the same hospital Monmouth Medical and we shared lots of intimate deep information as if we had been friends for decades. I was there for him when ever he needed a non biased ear and shoulder to lean on. Forever he will be in my heart and may his spirit visit us and watch over us. Love ya George, you will be so missed my dear friend.
Lots of love and support and prayers to his beautiful daughters and his sister. I know one thing holds true he loved you guys so much!

“ Georgie, always have been just like a son to me. I love you and will miss you. Until I see you again, hugs man. Bill Henry.
I wrote this for Bill as he is out of town. I know how he feels and hope you accept this from me in his absence. I too will miss you George, especially that laugh of yours.
