“ My thought and heart go out to you. He was a tough old man and hung in there a long time but old man time always wins in the end.

“ RIP Uncle George. I will always remember your "sweet lovin kisses" and your spirited opinions. I remember him coming home from work with huge bags of blackberries and blueberries he had picked himself and that he always treated me kindly. I also remember that during one of our -cousin recitals- we were charging the adults 5 cents each and he paid 10 cents not to come :) XO

“ very sorry to hear about the passing of your father, you and your family are in our thoughts and prayers, just wanted to add a Bible quote that may bring comfort to you,  
"Truly I say to you, I will drink no more of the fruit of the vine, until that day that I drink it new in the kingdom of God"

“ *We had a lot of fun together playing board games, Wiffle ball and arguing politics and listening to him talking about the US Air Force and how he should have made a career out of it instead of the RR. He also took me to a bar when I came of age, and got me half drunk drinking some Buds he paid for. I'll miss him, he was always good to me and my brother when we were growing up.*
