For as long as I have known your family I don't ever recall her not having that big bright beautiful smile on her face. “ Roxann,
I was saddened to hear of your daughter's passing. I just heard about it this morning. My prayers are with you and Mike during this time. It has been many years but I remember her smiling face at the bank when she would be with you. I've often thought of you over the years and wondered how you have been doing. Know that my thoughts and prayers are with you.

“ *There Is A Special Little Angel*

*There is a special Little Angel in Heaven that is part of me.
It is not where I wanted her but where God wanted her to be.
She was here but just a moment like a night time shooting star.
And though she is in Heaven she isn't very far.
She touched the heart of many like only an Angel can do.*

So I send this special message to the Heaven up above.

*Please take care of Our Special Little Angel and send her all our
love.*

*You will always be in my Heart,
Our Special Little Angel.*

“ You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she'll come back, or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember her only that she is gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back. Or you can do what she'd want: smile, open your eyes, love and go on.
