“ I am saddened and heart broken to hear of Dr. T's passing

He truly was a treasure to all of his patients that were fortunate enough to have him as our Dr. His wealth of knowledge and generosity of heart will be greatly missed and irreplaceable. I admired him for the morals and ethics that he practiced. He will always hold a special place in my heart.

“ *My heart was broken to hear of the passing of Dr. Tarquino.*

I was so fortunate to have heard about Dr T thru a friend of mine. I would fly from California to Florida because he was a master healer, the kindest soul you could ever meet and so very generous with his time as a doctor. He had such a passion for relieving the pain and suffering of his clients and so excited when finding the root of the problem. You will never be forgotten.

“ *I knew Germain for many years and it saddens me to hear of his passing. He worked for me in the early 90s and it was easy to like his gentle, caring nature. His enthusiasm for the holistic approach is still with me today. God bless Germain & his family*
