

Gitta Geng

August 2, 2013

Brigitte (Gitta) Geng lost her courageous fight with cancer on August 2, 2013. She peacefully left our world with her husband by her side. She now embarks on a new life in heaven with her past loved ones.

She is survived by her husband Karl Geng, her son Michael (his wife Karen) and their children Andrew and Jessica. Gitta was born in November 1942 in Munich, Bavaria and at age 12 met her future husband Karl, the brother of a classmate. She was the only sibling of Franz and Anneliese Sölch.

After getting married in early 1964 she embarked on a life as a corporate wife that resulted in 19 relocations around the world supporting her husband while raising their son. She enjoyed international travel and exposure to foreign cultures. After moving to the US from the UK in 1969 she continued to write short stories for German Magazines about life in America and experiences with international transfers and intercultural communications. Reading books and following trends in interior design were her favorite past time. For many years she also was an active Amateur Radio Operator (DK6CX) making contacts and friends around the world. In addition to several greater Boston locations she lived on Martha's Vineyard Island/MA, Huntington/NY, Boca Raton/FL, Palo Alto/CA, Woodside/CA, Marco Island and Naples/FL in the USA. She found yachting more relaxing and fun than flying although she did both. She cherished her friends and valued long term relationships. Always quick to help the needy she never asked anything for herself. In lieu of flowers donations may be made to Avow Hospice of Naples in her memory. A

celebration of her life will be announced at a later date. Cremation services were entrusted to Garfield Funeral Care (239) 596-5288. www.garfieldcares.com

“ *Oh Gitta, we have so many fond memories of you and Karl, mainly anchored together off Coconut Island. You were always so full of life and grace and always ready to entertain in a moments notice. You have enriched so many lives!*
