“ We will always remember Glenn as our wonderful neighbor and friend. He was there to lend a hand or a smile. He was very proud of the home he and MaryAnn built. He loved to show how his new hurricane shutters worked. Glenn was showing off the shutters and the remote control to MaryAnn from outside the house. They were coming home from an appointment and stopped the car in front of the house. Unfortunately, he never saw the package that was delivered and left up against the bottom of the front door. They were lucky that it was plastic and did not break. We all had a good laugh.

We will miss Glenn. We hope your good memories will help you through this difficult time.
May God give you comfort & peace.
