“ *My brother, I just found out today your gone. I will miss you buddy, I always looked forward to you coming out to the house and shooting with me. You were always so full of life. I always thought it was so thoughtful when you would pick toys up for my son Hunter. He's still playing with them. I'll always cherish the fun we had. Rest easy my friend, I will see you again when I get to heaven! Love you Glenn.*
