“ *Glenna was a classmate of ours and graduated in the Richlands High School Class of 1956. We are having our 60th year anniversary reunion this year and had sent her an invitation. We just found out she had passed away. We of the class of '56 extend our sympathy to her family. We will truly miss her at our reunion.*

C. A. Harris, Class of '56 reunion committee.

“ *Will always remember my sweet and loving Grandma. She always brought the party with her! She adored her Mom and I'm so thankful they are both pain free and reunited! Lots of love and hugs sent down south to my precious Papa. Praying for my Papa and aunts.*
