“ *Gloria was my loving Sister who I, along with my wife and children, will miss her each and every day. Gloria had a unique way of making those around her happy. She could make new friends easier than anyone I've ever known. She loved her family and friends so much. She was a champion for animals, especially cats. She had a strong belief in her religion and that is why I know she is now in a better place. Gloria, we love you and miss you.*
