“ I have so many fond memories but my most recent ones were when he'd come play euchre with my parents and I and when he was my partner, his facial expressions when I made a bad play were priceless!😭 So much for having a poker face. He was so easy to read. And the the time he called out of the blue saying he wanted to go to Universal and ride roller coasters. I thought oh no, he knows something we don't and maybe he didn't have long so wanted to experience all he could. My son Drew, Greg and I had a blast that day. Greg was in good spirits and if he had pain, he hid it well. I'll miss and love you forever big brother!💔👍
