“ *My deepest condolences to Gregg's family.
I was lucky enough to share some of my life's best memories and experiences with him through other friends we shared, travel, sports and lots of laughter and wonderful conversation.*

Rest in peace my friend.

“ *I met Greg when we moved into our home on Hibiscus Street . I remember how welcoming he was.. he had the most wonderful dog. When Greg got Remy his springer spaniel he would stop to allow our dogs to play.. he was always engaging and friendly.*

I will miss seeing Greg and Remy. Sending my heart felt sympathy to the family. He will be missed.
