Hannah encountered simultaneous death with her daughter Xaila Raen Atkin, 2 as a result of a tragic car accident.

Hannah is survived by her parents, Daniel and Tammy Casciano; Sister, Brittany Chadwick (Tim); Brother, Joshua Casciano; Grandparents Allen and Margaret Dupra, Daniel and Johanna Casciano, 7 Aunts, 7 Uncles; 24 cousins.

Hannah and Xaila were the most beautiful, loving souls. Their smiles and laughter lit up the room. They brought great joy to all who knew them. Hannah was a loving and caring mother, daughter, sister and friend to all who knew her. She was born in Rochester, NY and resided in SWFL for the past 9 years. It was Hannah's dream to raise Xaila in Colorado. Hannah was a talented lock-titian, stylist and barber who recently started her own business.

Hannah had an endless love for all humans, elephants, trees and nature.

Xaila was a beautiful, magical, happy and curious toddler. We will forever feel the loss of their presence.

“ *Hannah was my rock. Something very important I want people to remember is Hannah..,She showed me what was Truly happening in life. And that question, as something that confused me for years, I found the answer to that was by learning, living , and loving the lifestyle Hannah lived passionately and passed around with her energy daily; The true things that matter and what's most important at the end of every beautiful day is the relationships, memories and adventures taken, made and all with the people you love! Not only the mother of our beautiful daughter but my Best Friend, my forever love, my rock, and my world. I forever will Love you, And our beautiful baby girl, Xaila. Daddy loves you and mommy soo much! Without a doubt the best mother any child can ask for. I love you to the moon and back!💜🐘xoxo*
