May peace be with you always.

“ *Hanne was my cousin and I've known her since I was seven years old. We grew up together in our lovely little village of Winnenden / Germany and were the happiest best friends. As a young woman she got to know her future husband Thomas Edmundson and moved with him back to the US, Ohio where he came from. Hanne was very homebound and visited me in Germany as often as possible. We also went on holiday very often to such beautiful places like Lake Garda in Italy, Island of Kos in Greece, Island of Rab in Croatia and the Salzburger Land in Austria. We also visited our family members in Germany like my daughters Claudia and Patricia with their families or Ute + Heinz and Helga with their families. Hanne was always so happy when she spent time in Germany together with us. She always sent photos to me and told me about how happy she was that we could share such wonderful memories. I miss her so so much and i'm really sad about the fact that we all couldn't spent more time with her in this life. All my love <3*

“ *Spunky and strong-willed, Hanna kept us all on our toes. I feel lucky to have had the time I did. At soccer games, my house parties, or just having dinner together, she had a particular way of energizing a room and a soccer field! I will carry memories of her screaming orders at my girlfriend on the soccer field while admonishing me to pay attention. Our dinners together on those nights, or open air concerts on New Year's Eve, or poker games at Claudine's will stay with me forever. Miss you Hanna!* ”

“ *We shared the same passion for two things: football and CRAZY loved ones. We made our lives in this country and embraced our home but we never forgot our culture nor our past. There is not a week I didn't think of you when we moved to California - sometimes in laughter, sometimes in red or white shirts and goals.* ”

“ Aunt Hanne holds a special place in my heart...always will. I can still hear the cute way she would say my name. So many of my great childhood memories include her. I will never forget the visits to the Dayton house. She was such a wonderful homemaker and lovely hostess. My mom loved Aunt Hanne as well as she was in her life when my mom lost her own mother. Aunt Hanne was there for her as she was for many others. She was like a sister to my mom and I know my mom missed her very much when she moved to Florida. They could still pick up the phone at any time and talk as if they didn't miss a beat. I can't imagine life was easy for Aunt Hanne early on leaving her family behind in Germany then later on having health issues and losing Tommy. Claudine...you were always there for your mom no matter what and I am sure she appreciated it more than you will ever know. She loved you and Tommy so much. Aunt Hanne gave my mom a beautiful, meaningful beaded bracelet at my mom's funeral. Aunt Hanne took it right off her wrist and wanted my mom to keep it with her always. Aunt Hanne mentioned that she had it on for a long time and wanted my mom to have it. Such a touching moment and special to know my mom has a piece of Aunt Hanne with her Always. . Although Aunt Hanne had that serious, no-nonsense side to her, she also loved to have fun. She had a sweet smile and laugh and was always so kind to me. Will always remember her woodend sandals, beautiful figure and hair, desserts she made, and always setting up that little bedroom in Dayton for Denise and I to sleep. She gave me one of Tommy's stuffed animals to sleep once when I was sick on a Dayton visit. She worked hard and never gave up even after life handed her hardships. Aunt Hanne...hope you are at peace, hope you know how much you will be missed, and hope you are now will your loved ones in heaven. Give Charlene and Tommy an extra hug from me. I love you.

“ One of my funniest memories of Hanne was playing poker. I had made a big bet hoping she would fold and she called me on it. She had an awful hand and beat me!!! I kept saying, “why would you call that?” And she just smiled and said “because I thought I would win.” My thoughts are with you Claudine. 🥺

“ Hanne was an absolutely magnificent and beautiful person. Hanne brought light into every room and lit the entire place instantly with her charm and humor. I adored our years running around Fort Lauderdale together with Claudine, Kim, Apryl and Tif. Rest In Peace and my love to you, Claudine, and the rest of the family and friends that treasure your wonderful spirit. ❤️❤️❤️
All my love,

“ I remember going to Aunt Hanne’s house in Dayton. We were always so excited to go, because we got to see our cousins Tommy and Claudine and Aunt Hanne & Uncle Tom. I remember the sweet smell of cantaloupe in the kitchen, and the first thing I would run to see if she made her famous apple strudel. She always did. I will always remember the poster of Dan Fogelberg that she had in her bedroom. Every time I hear his songs on the radio I think of her. She was a wonderful lady who catered to everyone when they would visit. Especially our grandpap who demanded “something hot & wet” to eat one night. And she got something for him!!! She was a dear friend to my mother Charlene as well. Claudine, I want to express my deepest sympathies to you and Brandon. You did an outstanding job of taking care of her this last year. I know it wasn’t always easy, but you were always there for her. I’m going to miss Aunt Hanne and the many wonderful memories. I’m sure she is at peace being with Tommy and her parents. God bless and love you—— Denise
