“ *Harry,*

*You were a great Father ,grandfather and a wonderful friend . You loved everyone and made it so easy to love you back. Siesta beach was your favorite place to be ,walking the beach, feeding the one legged seagull and greeting all your friends .You would sit under your green umbrella wearing your little speedo always happy and smiling. This is why they called you the MAYOR OF SIESTA BEACH. We are sure that is what you are doing in heaven by the most beautiful beach . Rest in peace Harry ,Willy & I are so thankful that we had the pleasure of meeting you and calling you our friend. We love you & will sadly miss you. but remember all the great times & your beautiful smile.  
love forever Willy & Margaret Rau*
