“ I remember 17 or 18 yr. Old Heidi zipping around Pennel. Somehow we became friends. As she breezed through life, we always found time to share a few minutes. Her smile and beauty was infectious. All the Gebhardt girls were beautiful. Mama as well. I would hear "Heidi's in town." She always make her way over to say hello. Now she is gone, avd I never had a chance to hug her goodbye. Hilda said it best : "Bummer." Indeed. Thinking of you, Heidi. Hugs.

“ My memory of Heidi is beautiful. I met her on South Padre Island, TX about one year ago. Although she had so many troubles in her life, as did I, we connected. I have never met a woman who inspired me so much. I will ever be grateful for the inspiration, laughter that she contributed to my life. I feel you with me my Angel, Heidi!

“ *So sorry to hear of Heidi's passing! Although it's been a very long time that we spoke (due to the bad breakup of Stephen and Michael's business) I have fond memories of the times shared before that for many years. May she rest easy! Sharon Savino*
