“ *I was one of the fortunate girls in the mid 1970's to have "HJ" as our instructor in the Health Service Aide course. We were called her "Blue Angel's and Mrs. Johnsen made us that way. She taught us compassion, professionalism all the while teaching us the tricks of the Nursing trade. She made learning fun, so everything she ever taught us stayed. She holds a very special place in my heart. For more than 30 plus years we kept in touch, mostly at Christmas time. In the few sentences or paragraphs we shared, would bring back the many memories of our times together and also what a great lady she was. HJ will be greatly missed, "they don't make them like her anymore". She touched all who knew her, my thoughts and prayers to the family of a truly wonderful woman, Helen "HJ" Johnsen.*
