

Helen Powell

August 12, 1940 - December 19, 2010

I?M FREE

Don?t grieve for me now, I?m free.

I?m following the path God laid for me. I took his hand when I heard

him call. I turned my back and left it all.

I could not stay another day to laugh, to love, to work or play. Tasks

left undone must stay that way. I found that peace at close of day. If

my parting has left a void then fill it with remembered joy. A friendship shared, a laugh, a kiss, ah yes, these things I too will miss. Be not

burdened with times of sorrow, I wish you the sunshine of tomorrow. My

life?s been full, I?ve savored much good friends, good times, a loved

one?s touch. Perhaps my time

seemed all too brief, don?t lengthen it

now with undone grief. Lift up your

hearts and share with me, for God

wanted me now. He set me free.

Helen Powell passed away on December 19, 2010, at the age of 70.

Sending lots of love and sincere condolences to her family; we were all incredibly fortunate to have been graced by her spirit here on earth.*

“ Mom, how I love you so
I can't believe you had to go
I know your in peace
That puts my mind at ease
The pain is deep, I weep.

Three days have gone by
That I have not cried
Even though you have died
Maybe it's becuae I know in my heart that dying for you was the
best part
For Heaven you have gone
What a place to belong

I'm so glad that I found you
For I found our love was true
and I thank you
I know it's time to say good bye,
I will cry

But I have this ring that
I always wear,
So when I think of you all I'll have to do is look down and I'll see
you.
Good bye Mom.
You will be dearly missed.
I Love You!

Your Loving Daughter;

“ Sweet Brandy , now you know beyond a shadow of a doubt how good our Heavenly Father is! The best Christmas on this earth cannot compare with the one you'll have in Heaven. Joy and Tim, you were an inspiration to everyone as you cared for Brandy during her illness. You were an example to us all by your devotion and care, and showing by your deeds the importance that families have in our comfort and care. May God Bless you and your family. Your "other" family, The Murray's.

“ Sometimes words can't express one's sorrow, but one thing for sure, I know you are not suffering anymore and those closest to you as well don't have to suffer as you were. Of course, I remember remarkable times in my childhood, as you being there for all of us....cheerleading, softball, bowling - the sleepovers :-) I will always treasure those childhood memories with you. I do know there was a party in heaven though, and one day, I'll be there to see your face again.

Love always, your other Jessica

“ *Great-Grandma Brandy,
I love you with all my heart and soul. You will always be in my mind and heart, never ever going to forget you. Im always going to remember those times when we went to the zoo or to the park or even to the beach. I remember when it was my first summer in Fort Myers Beach, Florida and you had said we can take the trolley to the hot dog place but we never got around to it because I ended working with grandma Joy; your most wonderful daughter and who is a mom and a grandma. But when I do go back up i will go to that hot dog place and have two hot dogs , one for me and one for you. You will be MISSED and LOVED by so many people and including me as well.
Love Always,
